Commissioner for Patents

This is to clarify a minor error in the Examiner's answer of 10/28/2011. The section of " Evidence Relied Upon" in the Examiner Answer lacks the reference to Beam US 4604837. The Beam Reference 4604837 was patented on August 12, 1986, and is hereby submitted as Evidence relied upon.

/Phi D A/
Primary Examiner
